woven LUXURY

de WOVEN LUXURY – weil Natürlichkeit der wahre Luxus ist. Mit einem hohen Anteil an hochwertiger Wolle vereinigen sich in unseren Axminster-Qualitäten die besten Eigenschaften aus überwiegend natürlich nachwachsenden Rohstoffen.

Eine Mischung aus strapazierfähiger englischer und neuseeländischer Schafwolle schafft die Basis für ein ganz besonderes Raum- und Wohlfühlgefühl. Gleichzeitig steht diese optimale Zusammensetzung für eine hohe Lebensdauer stark beanspruchter Teppichböden.

WOVEN LUXURY vereint alle positiven Eigenschaften des Naturproduktes Wolle in sich: Entscheider schätzen seine Langlebigkeit, die hohe akustische Wirksamkeit, das sehr gute Wiedererholungsvermögen, die natürliche flammenhemmende Eigenschaft und seine Effizienz durch die Verminderung von Wärmeverlust.

Für alle, die ihn pflegen, zeigt er sich von seiner besten Seite, ist leicht zu reinigen, schmutzabweisend und sogar resistent gegen Pilzbefall und Schimmel durch seinen von Natur aus niedrigen pH-Wert.

Und schließlich für alle, die ihn genießen, bedeutet er eine ungeahnte Wohlfühlatmosphäre durch den hohen Trittkomfort, seinen positiven Einfluss auf das Raumklima und seine feuchtigkeitsregulierenden Eigenschaften. All das zusammen ist wahrer Luxus!

en WOVEN LUXURY – because natural beauty is true luxury. With a high quality wool content, the best features of predominantly natural renewable raw materials are united in our Axminster qualities.

A mixture of hard-wearing English and New Zealand sheep wool creates the basis for a very special sense of space and well-being. The optimal composition also ensures that carpets are durable and hard-wearing.

WOVEN LUXURY combines all the positive properties of wool – a natural fibre: Decision-makers will appreciate its durability, high acoustic efficiency, excellent resilience, its natural flame retardant properties and its efficiency through the reduction of heat loss.

For all of those who'll care for the maintenance of the products, they show their best quality: they're easy to clean, stain-resistant, and even resistant to fungus and mould thanks to its inherently low pH.

And finally, for those who'll enjoy the products, they stand for priceless comfort thanks to the high tread comfort, their positive influence on the indoor climate and their moisture-regulating properties. All this together is true luxury.

fr WOVEN LUXURY : parce que le naturel constitue le véritable luxe. Avec une forte proportion de laine haut-de-gamme, nos qualités Axminster réunissent les meilleures propriétés des ressources renouvelables avant tout naturelles.

Le mélange de laine de mouton résistante anglaise et néo-zélandaise crée une base pour la sensation d'espace et un bien-être extraordinaire. Cette composition idéale offre en même temps une longue durée de vie aux moquettes fortement sollicitées.

WOVEN LUXURY marie toutes les qualités positives et naturelles de laine: Les décideurs apprécient sa longue durée de vie, son efficacité acoustique élevée, son très bon effet régénératoire, ses propriétés naturelles ignifuges et son efficacité en raison de la diminution de la perte de chaleur.

Pour ceux qui l'entretiennent, il dispose également de sérieux atouts en étant facile à nettoyer, peu salissant et même résistant contre les champignons et la moisissure grâce à son pH naturellement bas.

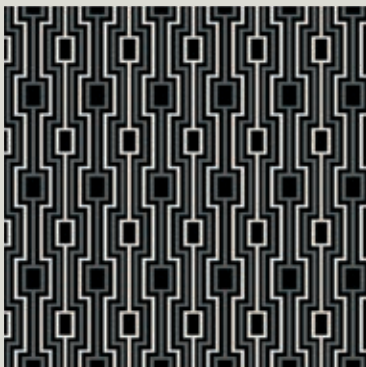

Et enfin, pour tous ceux qui souhaitent en profiter, il est synonyme de confort inestimable grâce à son confort appréciable, son influence positive sur le climat de la pièce et à ses propriétés de régulation de l'humidité. La réunion de tout cela constitue le véritable luxe.
